Rules and regulations

1. Applicants must be a son, daughter, or legal ward of a Midwest Electric residential member living on the lines and receiving service during competition.
2. Applicants must be graduating seniors who have all basic credits for college or proper vocational or technical school entrance. (A "proper vocational or technical school" is a post-secondary institution where credits can be transferred to a state-accredited four-year college.)
3. Applicants must have a current career average of 3.5 or above on a 4.0 scale or equivalent standing on a nontraditional scale. Winners must provide proof of enrollment in an accredited college to claim their scholarship. Applicants who are accepted and then enrolled in an accredited school of nursing and working toward a degree are also eligible.
4. Applicants may not be immediate family members of, or reside with, people who are employed by any electric cooperative in Ohio (employees, trustees, managers, OEC, or affiliated organizations such as Buckeye Power, Inc., RESCO, Cardinal Operating Company, etc.).

5. Applications for the Midwest Electric competition must be submitted and typed to be accepted on the forms provided by Midwest Electric or downloaded from this page. Application forms must be returned to the co-op office by Friday, February 2, 2024. Application information must be confined to the official application. The only attachments permitted are transcripts, teacher recommendations, and one photo of the applicant. (Teacher recommendations must be no more than 500 words).
6. Applicants who have received "full-ride" scholarships (tuition, room, board, and books) to the schools of their choice are not eligible for Midwest Electric scholarships.
7. All scholarships must be accepted in the first academic year after receiving proof of enrollment. However, an extension of one year may be granted for cause in the judgment of the president of OEC. If a student cannot fulfill his enrollment obligation under this program, the award is forfeited.
8. The top applicants will be selected based on GPA and community involvement and will participate in interviews with judges. Applications and interviews will be reviewed based on scholastic record, personal achievement, and school and community activities. During the interview, points will also be awarded for poise, personality, and appearance. Finalists cannot bring outside materials to their interviews (electronic presentations, props, handouts, etc.).
9. Winners will be notified as soon as possible after judging. One winner will be chosen to represent Midwest Electric in the statewide scholarship competition at Ohio's Electric Cooperatives, where he or she will compete for additional scholarships. Eligibility requirements apply. Contact the cooperative for details.

If you have any questions regarding the scholarship competition, please contact Midwest Electric at 419-394-4110.
